RELAY FOR LOVE 2.0

It might be just another breezy Sunday morning on March 17, 2019, yet hundreds of enthusiastic runners gathered at Kowloon Bay Sports Ground for one purpose, to support **"Relay for Love"**. Please allow me to summarize the event for you.

Love

It's the pure love for our dear school that inspired us to come together to raise funds to meet the growing demands of the Sections. In 2016, "Relay for Love" was launched to raise funds for the MCS Sports Fund established under the MCS Educational Trust, which was aimed at supporting non-curriculum sports-related activities in both Sections. The event successfully raised over HK\$1 million with the support of hundreds of alumnae, families and friends. As always, we'd go every extra mile to support the school in whichever way we possibly can. That's why we **Run for Maryknoll! Run for fun(d)!**

RELAY FOR LOVE 2.0

Grateful

Not enough "Thank Yous" can be said of that day. Firstly, I must thank our gracious God for blessing us with absolutely perfect weather. Then to all the participants -- the former and current students, parents, former and present teachers and principals, janitors, Red Cross team, alumnae and student emcees, Primary Lion Dance team, drinks sponsors, designers, members of Our Lady of Maryknoll Hospital, my fellow Foundation Councillors and FSA Excos, and our guests of honor. Most importantly, the Organizing Committee members who readily stepped up whenever I asked for help. RFL is the perfect showcase of Maryknoll spirit, true collaboration among the Maryknoll family members.

Joy

We were delighted to see the enthusiasm among the participants who made great efforts dressing up. They were so creative and playful. Who can take their eyes off the participants walking around in their fancy costumes? We also admired the energy of the little ones on the track as well as on the bouncy castle throughout the whole event. Maryknollers are best known for their fun-loving nature, be them the young ones or the young-at-heart.

Once again, FSA is thankful for being able to serve our beloved school, and we look forward to your continual support. Let's join hands to work for the sustainability of the MCS Educational Trust and take Maryknoll to better and higher grounds as we look forward to our school's centennial celebration in 2025!
